H V Narayana Rao, Esq , B A ,LL B ,
Secretary to Government, Law Department,
Bangalore

Sir,

I have the honour to state that with the increase in the activities of the Mysore City Municipal Council and the City Improvement Trust Board and with the increase in the area of the City in several directions, the work of the Engineering branch of these two offices has become particularly heavy with the result that the Engineer, who is a common officer for both the Municipality and the Trust Board has not found it possible to pay as much attention as is necessary with regard to the scrutiny of house-building licenses The number of applications for house-building licenses is increasing year by year and on an average more than 2,500 applications are received annually

2 Again, in the absence of any Gazetted Officer all measurements have to be checked by the Assistant Engineer only and this takes away also a considerable amount of his time Further the city is also growing too big for one Gazetted officer to exercise proper supervision over all the works in progress

3 With a view to see that these building license applications are disposed of with greater promptitude and to see that the rules and bye-laws in this behalf are strictly adhered to and also to take away from him the heavy work of check measurements, the Municipal Council have sanctioned the appointment of a Licensing Officer with the grade pay and conveyance allowance attached to the post of a Sub-Engineer of the Public Works Department The said officer will, besides attending to the disposal of house-building licenses,

serve also as an assistant to the Municipal and Trust Board Engineer

4 To minimise the extra cost, the appointment is proposed to be created in lieu of the post of a Sub-Overseer on Rs 80 plus 5 C A

5 The extra cost on this account will be met by the Municipal Council and the Trust Board in the usual proportion, viz ⅔ and ⅓ respectively The Trust Board which was consulted in this matter has also agreed to these proposals and a copy of its Resolution is enclosed

6 A copy of the Resolution passed by the Municipal Council is also enclosed

7 As the appointment is very necessary, I request that sanction of Government may kindly be obtained and communicated to me at an early date Necessary provision will be made in the next year's budget to meet the extra cost on this account

8 Since the need for an extra officer is very keenly felt in connection with the arrangements for the ensuing marriages, etc the Chief Engineer may kindly be requested to post the extra officer from 1st June only if possible

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT 27 5

L S G BRANCH

H V Narayana Rao, Esq , B A ,LL B ,
Secretary to Government, Law Department,BANGALORE

Sir,

With reference to your letter No L 8796 dated 7th June 1941 regarding the appointment of a Licensing Officer in the City Municipality of the rank of a Sub-Engineer, I have the honour to state as follows

1 The Assistant Engineer is at present attending to licensi work As already stated there are over 2,500 license applications and it is impossible for him to attend satisfactorily at all to this work and practically the work is delegated to Sub-Overseers and only in cases where there is trouble the Assistant Engineer is paying a little attention There has been therefore an unavoidable want of proper supervision over this branch of work Further there has been no useful check in seeing whether after the licenses are granted the buildings are being built according to the terms of the licenses It is felt that there are a number of violations of the terms of license As a number of new houses are under construction in Mysore City and it is very necessary that more attention should be paid to this important part of work

Further, the Assistant Engineer is also the Assistant Erginee in charge of the Trust Board and there are a number of acquisitions and improvement estimates apart from large works in the Municipality itself, and the Assistant Engineer finds it impossible to check these works in time and to attend to the prompt preparation of bills etc

There is no other Gazetted Officer to do this and the work cannot be delegated to anyone else and this makes the appointment of a Sub-Engineer all the more necessary

2 The extra cost on account of the proposal is Rs 32/- per mersem or Rs 380/- per annum after taking into consideration the place of the Sub-Overseer that is proposed to be surrendered This is very little when compared to the needs referred to above necessitating this appointment

3 There is no information available here as to what is being done in the Bangalore City Municipality What we require is not an Overseer, but a Gazetted Officer who should assist the Engineer in checking the measurements, in attending to licensing work and etc , and it is for this reason that a Sub-Engineer is proposed and not an Overseer

In view of the importance of the work and responsibility involved, I request that the place of a Sub-Engineer may kindly be got sanctioned

I have the honour to be,
Sir,
Your most obedient servant,

B. Nagarendra

OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL MYSORE

No GT 192 -- L2

Dated 17th July 1941

FROM B S Raghavendra Rao, Esq , M A (Hons)
PRESIDENT CITY MUNICIPAL COUNCIL
MYSORE

To

H V Narayana Rao, Esq , B A ,LL B ,
Secretary to Government, Law Department,
BANGALORE

Sir,

With reference to your letter No L 150 dated the 8th instant, I have the honor to state that the proposal of the Municipal Council as agreed to by the Trust Board, is for the appointment of a Licensing Officer of the rank and status of a Sub Engineer on Rs 125-10-175 plus 32 C A , the cost thereof being met by the Municipality and the Trust Board in the usual proportion, viz $\frac{2}{3}$ and $\frac{1}{3}$ respectively, and to retrench one of the Sub-Overseers in the grade of Rs 35-5/2-80 plus 5 C A The extra cost to the Municipality on this account will be Rs 65/- per mensem as per the calculation sheet herein enclosed, and not Rs 32/- as stated in my letter of the 1st instant Rs 32/- was worked out by the Accountant on the basis of 50 - 50 which was not correct His calculation sheet is also enclosed

The necessity for the appointment of a Licensing Officer to this Municipality has been explained, in detail, in my letters dated 27th May 1941 and 1st July 1941 I request that sanction of Government may kindly be obtained very early to the appointment of a Sub Engineer and the Chief Engineer may be addressed to post the extra Officer from 1st August 1941

I have the honour to be,
Sir,
Your most obedient servant,

B S Raghavendra Rao
PRESIDENT 17

CALCULATION SHEET NO 1

Average cost of the appointment of a Sub Engineer on a grade pay of Rs 125-10-175 plus conveyance allowance of Rs 32/-

Rs 125 + (⅔ of 50) = 125+ 100/3 = $\frac{375 + 100}{3}$ = 475/3
= Rs 158-10-8 or in round figure Rs 159/- plus
Rs 32/- C A = Rs 191/- per mensem

Average cost of the appointment of a Sub Overseer of the grade of Rs 35-5/2-80 plus conveyance allowance Rs 5/-

Rs 35+ (⅔-14/90)45 = 35+(46/90 X 45) = 35+23 = Rs 58/-
plus C A 5 = Rs 63/- per mensem

In case ⅔ and ⅓ of the pay of the Sub Engineer are to be met by the Municipality and the Trust Board

The Municipality has to pay Rs 128/-towards the pay of of the S E

& The Trust Board has to pay Rs 64/- --Do-- (in round figure)

Against Rs 128/- to be met by the Municipality, a set off of Rs 63/- being the pay of the appointment of a Sub-Overseer has to be given In that case, the extra cost to the Municipality would be --- 128-63 = Rs 65/-

---

KSR

Calculation Sheet No 2

Average cost of the post of a Sub Overseer on a grade pay of Rs 35-5/2-80 plus 5 C A

Rs $35 + (\frac{2}{3}\text{-}14/90)\ 45 = 35 + \frac{46}{90} \times 45 = 58 + 5 = 63$

Average cost of the post of a Sub Engineer on a grade pay of Rs 125-10-175 plus 32 C A

$125 + \frac{50 \times 2}{3} = 125 + \frac{100}{3} = 158 + 32 =$ Rs 190

Out of Rs 190 Municipality will bear Rs 95/- and the Trust Board will bear Rs 95/-

If the post of a Sub Overseer is surrendered in each the extra cost will be 95-63 = Rs 32 per month or Rs 384 per annum

***

Correspondence ending with letter No C T 359 dated 11th — August 1941 from the President, City Municipal Council, Mysore, in the matter of the appointment of a Licensing Officer in the City Municipality

Order No 12992-96/PWK 41-41-16 Dated, Bangalore the 11th October 1941.

The President, City Municipal Council, Mysore, states that, at present there is only one Assistant Engineer who is the — common Officer for the works carried out by the City Municipality and the Trust Board, that the work in the Engineering Branch of these two offices has become particularly heavy owing to the increased activities of these two bodies and the extension of the area of the city in several directions and that it is not possibl for a single officer to pay the required attention to the heavy work of check measurements and to the scrutiny of the house — building licenses which are on the increase every year He adds that, with a view to give the Assistant Engineer the necessary relief and to see that the building license applications are disposed of with greater promptitude and that the rules and the — Byelaws in this behalf are strictly observed, the Municipal — Council have, in their meeting held on 26th April 1941, approved of the appointment of a Gazetted Officer of the status of a Sub-Engineer in grade Rs 125-10-175+32 C A to work as a Licensing Officer and to assist the Trust Board Engineer, the extra cost in this behalf being met by the City Municipal Council and the Trust Board in the usual proportions of 2/3rds and 1/3rd respectively In order to minimise the cost, the post of a Sub-overseer of the Municipality in grade Rs 35-5/2-80 is proposed to be retrenched The above proposal has been agreed to by the Trust Board also

The Secretary, Public Works Department who was consulted in the matter has agreed to spare the services of a Sub-Engineer for being appointed to the above post

In the circumstances stated, Government are pleased to — sanction the above proposals with effect from 1st October 1941.

The Chief Engineer is requested to post a Sub-Engineer to the Mysore City Municipality very early

Necessary provision should be made to meet the pay of the

pay of the Sub-Engineer in the future Budgets of the City — Municipality and of the Trust Board commencing from 1941-42

Serial No 16

Proceedings of the Government of His Highness the Maharaja of Mysore

Read—Correspondence ending with letter No E&T 359 Dy 11-8 4. from the Dpty, Cgs ML CL, Mysore, in the matter of the appt of a Licensing Officer in the city mcpl—

Order No L 2992-96

The Dpty, Cgs ML CL, Mysore, States that at present there is only one Assistant Engineer who is the common Officer for the works carried out by the city mcpl and the Trust Board, that the work in the Engineering Branch of these two offices

~~Order thereon—No~~

has become particularly heavy
owing to the increased activities
of the ~~Municipal and the Cantonment Boards~~ these two bodies
and the extension of the area of
the city in several directions and
~~that~~ that it is not possible
for a single officer to pay the
required attention to the heavy
work of check measurements
and to the scrutiny of the house-
building licenses which are
every year
~~now~~ on the increase, it is advisable
Assistant
that, with a view to give ~~the~~ Engineer
the necessary relief & to see
that the building license
applications are disposed of
with greater promptitude
and that the rules and the
Bye-laws in this behalf are
strictly observed, the meeting,
in their meeting held on 26-4-41,
approved of the appointment
of a Gazetted Officer of the status
of a Sub-Engineer in grade
